Resolved Issues
<p>36458 Proposal not converting to work order [00082807]</p> <p>We resolved an issue with converting a proposal to a work order. Closing a proposal was automatically creating an invoice instead of giving the option to choose work order or invoice.</p>
<p>36469 RMR item(s) on proposals are not populating info since last release [00082888, 82946]</p> <p>We resolved an issue with item details not automatically populating on proposals as expected.</p>
