MANAGELY®

Application Corrections

57867 WO unable to invoice - error msg: Identity insert is set to OFF [00136874]

Users received an error when trying to invoice certain work orders. We resolved this issue by updating the logging so that users can complete the work orders.

Internal Changes (not on customer release notes)

57693 Error on Completing Work Orders

Updated logging to bypass EF save changes events and prevent other unexpected commits.
