

TSPlus Procurement and Activation Key Generation

01/05/2024 6:14 pm EST

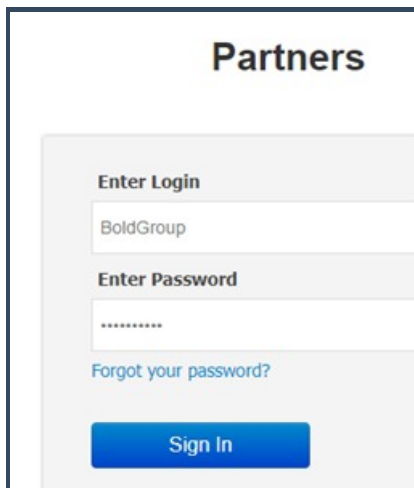

Steps in this document should only be started once Amy Nuss has contacted you via teams with a virtual card # or if you are sure there is a positive credit balance

License Procurement

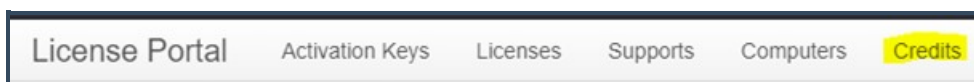

- Login to the TSPlus Licensing Portal <https://license.dl-files.com/> and select Partners

- Use the shared credential for the BoldGroup User and press Sign In

- You will be brought to the Licenses section to see all current activated licenses
- To procure more credits for license select Credits from the top bar – it will launch a new window

- Select Buy More license for the appropriate section [Typically the first column TSPlus Remote Access

Credits status			
Software	License	Support	Buy credits
TSplus Remote Access	5 users	5 users	Buy more License Buy more Support

- Must purchase licenses in batches of 10 at \$25 per user + tax - select Order Now – total can be adjusted later
- [Note: All new license request should have an accompanying support purchase]

United States

License Batch - 10 users - \$25/user \$250.00

Quantity

Users licenses will be automatically added to your online License Partner account, provided that you are using the same email address.

80205

☐ Wire Transfer

This purchase is from our online retailer FastSpring

FastSpring Terms of Service and Privacy Policy

Complete Order

- If processed a confirmation screen will show and email will be sent to sedonacloudsupport@boldgroup.com w/ an Order ID
- Per EverCommerce policy that email must be forwarded to virtual_card_receipts@evercommerce.com
- Repeat steps 5-9 but with the Buy More Support - purchase Support in batches of 10 at \$4 per user + tax

License and Activation Key Assignment

- Return to <https://license.dl-files.com/activationkeys> and select Activation Keys from the top bar [if not already loaded]

[The Licenses section will only show Activations Keys that have been successfully activated]

- Click the green button Create a new activation key

Activation Keys

Create a new Activation Key

Please create only 1 key per customer

- On the following screen Fill in the Customer/Company Name

Enter the TSP Server name in the comments if it is available otherwise proceed by pressing the blue Add button

Add a new Activation Key

Name:

Comments:

Key:

- Enter sedonacloudsupport@boldgroup.com for customer email and supply the customer in the Comments field

License: Permanent

Quantity will always be 1 - [Unless comfortable with creating a shared key for a multi-tsplus server system]

Click the Button for the desired User Block 3, 5, 10, 25, Unlimited [Unlimited requires 50 credits]

Ensure to set Edition as Enterprise – failure to change from System disables the HTML5/Web upon activation.

**Per TSPlus as a partner there is no cost difference between editions because they all use a credit per user

Assign license(s)/support(s) to "Customer Name" (3QT6-VWBX-CWSH-WHAE)
