

How to search and remove auto test timer from zones

01/11/2024 9:34 am EST

These steps will show how to search which zones have an auto-test timer (Schedule Type 'D') and how to remove them.

NOTE! :

You only want to do this when you are certain customer doesn't use "NOT" timer on zones.

TO LOCATE WHICH ZONES HAVE AUTO TEST TIMER:

```
Select * from EventSchedule
```

```
where ScheduleType = 'D'
```

TO REMOVE AUTO TEST TIMER FROM ZONE:

```
Delete from EventSchedule
```

```
where ScheduleType = 'D'
```
