

SedonaAPI and SedonaWeb 2.0 - 1.15.1.1 - 5/18/2020

01/05/2024 4:10 pm EST

DevOps Items

- Item 12688 - Reduced amount of required fields when adding a payment method. Customer Token field added to the Customer API. Submit payment endpoint requires a customer credit card or ach id.
- Item 13000 - New Timezone claim added to the UserInfo endpoint.

**** BREAKING CHANGE:** This release creates a breaking change to companies in SedonaCloud that use a SedonaOffice 5.7.0.99 database. There is a patch to resolve this issue that development can provide. [Click here to view the patch](#)
