

# SedonaWeb 1.0 - 2.7.78 - 4/15/2021

01/05/2024 5:45 pm EST

## Bugs:

**Customer cannot capture SedonaWeb live transactions. (14167)**

**Issue:** Credit card transactions not showing in Forte

**Solution:** Updated PaymentProcessing code package to the latest SedonaOffice dlls and rebuilt SedonaWeb

**Customer cannot process payments that were rejected and now show payment pending. (17460)**

**Issue:** Rejected payments cannot be re-submitted due to the payment showing in pending status.

**Solution:** Updated code to account for the rejected transactions and make the "Pay it" link available
