

For Internal Testing - How To Delete a Folder in WeSuite

07/03/2024 9:07 am EDT

This article is meant to assist internal support reps testing in wesuite. Customers should instead review WeSuite's support documentation.

WeSuite

Open the Job in WeSuite.

The folders are listed on the Right Side of the Screen.

Right-click on the folder and select "Remove."

Note that this process does not affect how the quotes are imported into SedonaOffice.
