

How to Add Terms and Agreements in API for Sedona-X

02/09/2024 6:11 pm EST

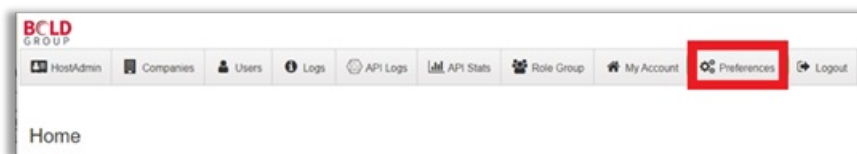

Setting up terms and agreements steps are shown below.

Overview

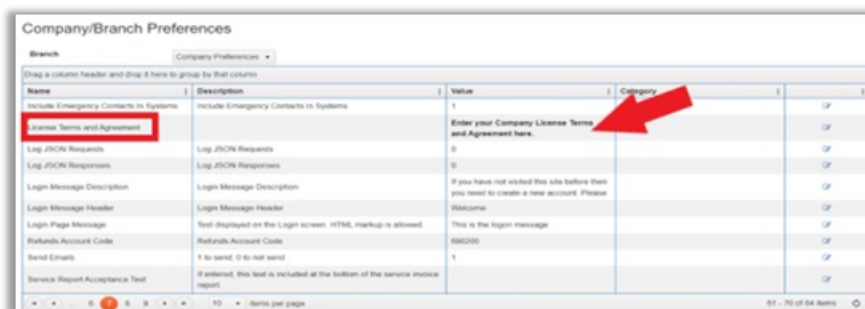

Customers may want their customers to acknowledge certain terms explaining either their warranty of work or what is covered in a service call. Below are the steps to set that up in the API.

Add License Terms and Agreement Steps

1. Log into API using the Company Admin Login
2. Click on the Preferences Tab

3. Find the License Terms and Agreement (our test server shows on page 7)

4. Click on the Edit button in the last column on that row

5. When the Edit Preference tab opens, fill in the Terms and Agreement in the space provided. (This can be formatted using the available buttons) – click on the Save button when done
