Below is information on the credit card devices.

## Magtek Credit Card Device

1. If you would like to accept payments in the field you will need to order the iDynamo or uDynamo. Also, see the attachment for the new cDynamo. Unfortunately, no other card reader will be accepted.
2. You may also need an extender based on the cases you purchase:

2. The iDynamo/uDynamo can be ordered from any Magtek vendor given the information below. If a vendor does not understand, they can contact Pete Philomey([Pete.Philomey@Magtek.com](mailto:Pete.Philomey@Magtek.com)) for instructions on how to order the CC reader with a SedonaOffice encryption key.

\*The card reader MUST have the SedonaOffice encryption key

Custom Key: 90133500

Let me know if you have any questions.

Thanks,
