

OPT Email Invoice Recipients

02/13/2024 9:50 am EST

We take email addresses from the bill to as well, but also allow the customer to send to other recipients. The email address would have to comply with email structure standards.

A list of every email address ever sent to can be found in KS_SedonaSync_Email or KS_SedonaSync_Email_Queue (I always forget if it has _Queue on it or not).
