

SS_Setup_Modules (Turning on features in database)

02/14/2024 9:03 am EST

Check company table in Sedona Master to find DBs of customer

SS_Setup_Modules

Add appropriate letter for the service/feature needed

(yes that's it!)

Barcode scanning needs our OPOS driver and may need barcode setup in main app

B for barcode scanning

J for job planner

L for POS

W for wesuite

S for new service module

Q for Fleetmatics
