

How to Check Customer History in AlarmBiller

05/21/2024 9:05 am EDT

In AlarmBiller, users can check the history of a customer with just a few clicks.

To check the history, follow the steps below:

1. Open the customer's account in question.
2. Click the history icon in the top left corner:

□

3. Expand the information by clicking the little triangle icon as shown below:

□

The steps above will provide a full history of that customer's account.
