

How to Check the History on a Proposal in AlarmBiller

05/21/2024 9:07 am EDT

In AlarmBiller, users can check the history of a proposal with just a few clicks.

To check the history, follow the steps below:

1. Open the proposal in question.

2. Click the history icon in the top left corner:

□

3. Expand the information by clicking the little triangle icon as shown below:

□

The steps above will provide a full history of that proposal.
