

How to Check Work Order History in Managely

05/21/2024 9:42 am EDT

In Managely, users can check the history of a work order with just a few clicks.

To check the history, follow the steps below:

1. Open the work order in question.

2. Click the History button in the top right corner:

□

3. Expand the information by clicking the plus icon on the left hand-side (once expanded it will become a minus icon):

□

The steps above will provide a full history of that work order.
