

How to Hide the Charges Messages on Service Tickets

05/24/2024 1:49 pm EDT

When a Service Ticket is printed there is a Charge Message on the top right side.

□

This information is pulled from the Service Level for that Service Ticket.

□

Service Ticket Print Preview

Open the Service Ticket and select the Wrench Icon on the top left Corner of the ticket.

Select Print.

□

When the Service Ticket Preferences opens, select the “Hide Charges Message” and click “OK.”

□

When the Service Ticket prints the Charge Message is no longer printed on the ticket.
