

AlarmBiller Conversion Items

02/03/2025 6:45 pm EST

Unlike the data conversion using scripts in Sedona Office, the Alarm Biller conversion uses the same uploading tool the customers have access to. The list below contains all the available items included in the uploaders.

1. Customer
 2. Site
 3. System
 4. Recurring
 5. Open Invoices and Credits
 6. Parts
 7. Historical Invoices and Credits(Via the company archive uploader)
