

Who Can Remove Late Fees in AlarmBiller

06/20/2024 5:36 pm EDT

AlarmBiller provides users the ability to remove late fees from accounts.

What are the necessary permissions to remove late fees in AlarmBiller?

The necessary permission to be able to remove late fees in AlarmBiller is Administrator.

The screenshot shows the 'Edit User Account' interface. On the left, there are input fields for Username, First Name, Middle Initial, Last Name, Phone, and Email. Below these is a 'Time Zone' dropdown set to '(UTC-05:00) Eastern Time (US & Canada)'. The 'User Role' dropdown is highlighted with a red box and shows 'Administrator'. On the right, there are dropdowns for 'Default Login' (set to 'AlarmBiller') and 'Site Theme' (set to 'Blue Opal'). Below these are checkboxes for 'User Online' and 'Inactive', an 'Inactive Date' field, and a 'Description' text area. At the bottom right of the description area, it says '160 characters remaining'. At the top right of the form, there are 'Cancel' and 'Save' buttons.

Note: Currently only Administrators can remove late fees in AlarmBiller.

*This user role enables everything access related in AlarmBiller.
