

# Vendors with No Address Information (Internal)

12/20/2024 8:23 am EST

If a vendor is throwing errors on the front end, it may be caused by a missing address line. Use this script to find Vendors with this error

```
select Vendor_Code,
```

```
Address_1
```

```
from AP_Vendor
```

```
Where Address_1 = ''
```

```
and Vendor_Id > 1
```

```
Order by Vendor_Code
```
