

Closing Fiscal Year

01/16/2025 7:13 am EST

Sedona Office allows for two consecutive accounting years to be open at the same time.

The next accounting period will open up automatically when the oldest accounting period is closed

- Go to Close Fiscal Year under the General Ledger module
- The example below will open a checklist of all tasks that must be checked as completed. The option to Save will not be available until all tasks are checked.
