

How To Access ADI Integration Settings

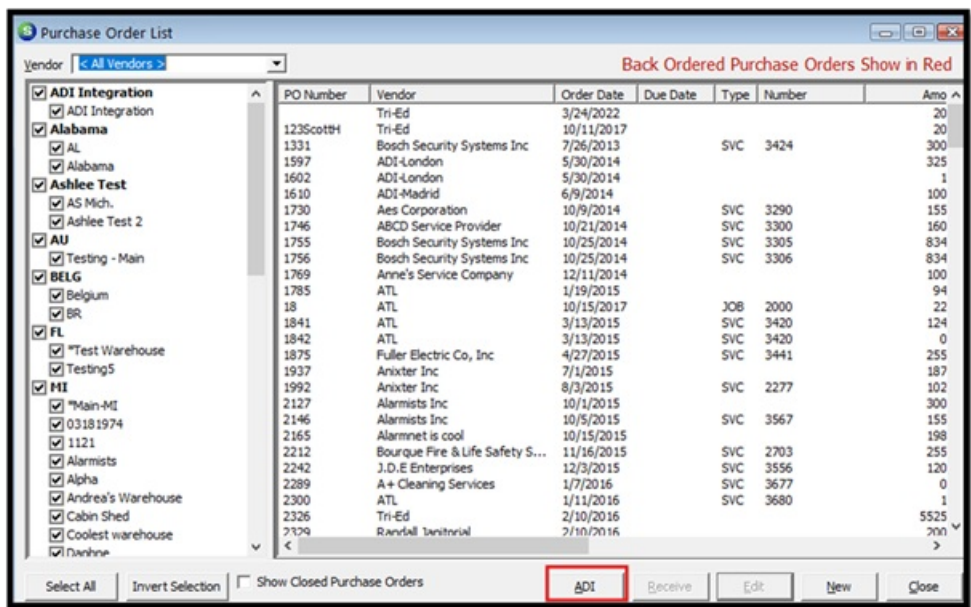

06/25/2025 10:28 am EDT

Header:

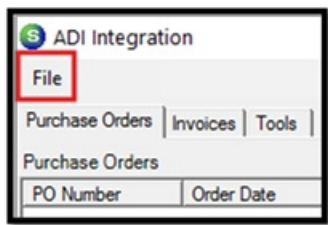

To access ADI Integration in SedonaOffice:

Go to Accounts Payable > Purchase Orders

In the Purchase Orders window, there is a button at the bottom of the window labeled ADI.

Once in the ADI Integration window, to access Settings, click on the File option in the top left of the screen.

When File is clicked on, a menu will open with the options for Settings and Close.
