

How to Enable/Disable the Expired Credit Card Notifications (Managely)

07/17/2025 2:02 pm EDT

Follow these steps below to enable/disable the notification of expiring credit cards:

1. Click on Setup, Utilities, then Automation.

2. If you would like for your customers to receive an email that their credit card is going to expire (sent out on the 1st of each month), toggle the Expiring Credit Card Summary to “ON”; if you do not want them to receive an email toggle the Expiring Credit Card Summary to “OFF” and then click Save.
