

# Artifacts for Delivery Business Management

05/22/2026 9:15 am EDT

All project delivery forms and pre-requisite documents for the implementation of SedonaOffice and Managely projects are listed below.

| Task ID - Task Name         | Link to Artifact or Article                      |
|-----------------------------|--------------------------------------------------|
| Training Audit Checklist BM | <a href="#">Training Audit Checklist BM v1.1</a> |
|                             |                                                  |
|                             |                                                  |
